Footnote #	Footnote Narrative
1	Collected by Planning Department and transferred to the Public Works Department.
2	<p>A fee equal to the County's direct and/or indirect costs, including the costs of County's consultants shall be paid to the County for reviews, and/or processing of applications for, the issuance of, the transfer of, the extension of term of, the expansion of, the change in services by or in, or other changes by or in franchises or licenses or permits for the following:</p> <ul style="list-style-type: none">(a) telecommunications (including cable television),(b) public utilities,(c) solid waste collection and disposal,(d) recycling,(e) ambulance and/or emergency medical response and transportation,(f) other services to persons or entities with the County which require authorization from the County and/or the use of County owned or controlled right-of-ways or property. <p>The County will estimate the probable costs of such review and processing and require a deposit in the amount of such probable costs to accompany such applications. Prior to acting on such applications, the County will notify the applicant of the exact amount of the fee and such fee shall be paid to the County by the applicant before the County shall act on the application.</p>
3	Refunds: Refunds of any portion of fees for withdrawn or partially completed projects shall be determined by the Director of Public Works, based on code requirements and/or his appraisal of the cost of staff work.
4	<p>A fee equal to the County's direct and/or indirect costs, including the costs of County's consultants shall be paid to the County for annexing to Board governed districts. The County will estimate the probable costs of such review and processing and require a deposit in the amount of such probable costs to accompany such applications. Prior to acting on such applications, the County will notify the applicant of the exact amount of the fee and such fee shall be paid to the County by the applicant</p>
5	Or, at the discretion of the Director of the Department of Public Works, an alternative calculation method, if such method better represents the impact of a particular road cut.
6	Fee is not applicable to a franchisee if its application to the franchise would violate the terms of a franchise agreement.
